[†] 1 sachet (2 g of powder) dissolved in about 100 ml water

BioAxis has been formulated to offer you a combination of live bacteria and fibre, that work together in harmony to help support your nutrition goals. This product is high in fibre and available in powdered sachets, making it great for you to take wherever you are. With a subtle vanilla flavour, enjoy BioAxis with water or your favourite Formula 1 Shake Mix.

KEY BENEFITS

- Contains a combination of both Probiotics and Prebiotic Fibre
- Gluten-free
- High in fibre
- No added sugar
- Artificial colourant, preservative and sweetener free
- Vanilla flavoured
- No need for refrigeration
- Available as a box of 20 individual sachets
- Great for when you are on-the-go

USAGE

Add 1 sachet to half a glass of water (about 100 ml), stir until dissolved and enjoy. Drink on its own or add to your favourite Formula 1 Shake Mix. Please add after blending, and use liquids at a temperature below 25°C, to avoid affecting product quality.

Enjoy once a day. Use this product within a balanced and varied diet, as part of a healthy, active lifestyle.
